JINGLING BALLS

MUFF-DIVING MECHANIC

*The young blonde knew
what she wanted, and she
wanted it in the backseat*

I was working in the garage last Friday afternoon when this blonde came in. She couldn't have been more than 18 or 19. You know the look: clothes too tight, tits high, an ass that seemed to give off steam. Roger and Mark were off with the wrecker picking up a stalled BMW, so I was working alone.

Blondie walked in and said, "Hey, I think there's something wrong with my car. It's making these funny sounds, like something's growling." That must have been me, and my bone was already pointing in her direction.

"Okay, I'll take a look," I said, meaning I wanted to look up her skirt and down her shirt. Shit! Just smelling that girl made me itch. I couldn't keep my eyes off her ass. My balls were already rumbling. I felt as goofy as a teenager as I stood there looking at her, my pole wagging in my pants. You can't blame a guy for getting stiff when a chick looks like she did. She stared right at my bulge and grinned.

When she got out and handed me the keys, she brushed against me. At first, I thought it was by accident. But she leaned against the door of the car and put her hand on my arm.

"You alone here?" she asked.

"Yeah, my buddies are off picking up a car."

"Great." She opened the car door and climbed in the back seat, tugging me in after her. I was practically creaming already. She lowered the front seat so that there was plenty of room for her to lie down.

Blondie pulled her skirt up above her hips, revealing that she was bare

underneath. Wow! What a sight! She flashed me a mass of bushy blonde pubic hair and the pinkest, wettest little muff I'd ever seen.

"I like it with your mouth. I like it hot and rough. Eat me out, honey, and I'll return the favor," she purred.

My cock was clamoring to get out, so I took her hand and had her unzip me. She grabbed my pole and wrestled it out of my shorts. I went down on that sweet muff of hers and started licking her inside lips. She was dripping with cunt-honey, and I couldn't wait to get a whole mouthful of it.

My ballsac was tight and hot. I was just on the verge of spilling my sauce all over her legs.

Blondie took my head in her hands and pushed me harder against her, so I could feel her pubic bone. She writhed against my mouth like she couldn't get enough of it. I stuck my tongue up inside her as far as I could reach. Then I nibbled her clit with my teeth, which drove her wild. Her movements were slower and her breathing was getting

deeper. I knew she was close. The movements of her pelvis were slowing, and she arched her back and moved in a steady rocking rhythm.

Keep it up, sweetie. Oh, I like that. Do it some more, harder. Suck me some more. Really suck me." I licked around her clit and in every crease and fold of her cunt. I couldn't get enough of her salty-sweet taste. Then I bore down on her clit and sucked as hard as I could.

Meanwhile, my tool started its own action and began spurting juice all over. I squirted cum all over her legs and the back seat. Just the smell and taste of her would have been enough to get me off, but lapping up her liquids and having my face buried in her luscious cunt shoved me right over the edge.

She started to shudder and spasm, coming hard. I kept sucking her as hard as I could as she squirmed and kept going. I've never seen a chick come that hard or long.

By the time she was finished, my prod was stiff again and still sticky from its spontaneous eruption. She grabbed

and rubbed it vigorously, pushing back my foreskin and playing with my cockhead, stretching it back to expose the tip. My cock veins were bulging, so full of blood I thought I might burst. She started licking around the top of my meat, into the folds. Then she slipped it into her mouth, all of it, pushing it so far down her throat that my cock hair was right under her nose. No girl has ever been able to take in that much of my love muscle. It felt incredible, so warm and wet and exciting.

As I fucked her face, I rocked back and forth. In my mind I kept thinking of how she smelled and tasted when I was lapping her. That gave me a surge that seemed to make my cock swell up even fuller. As much as I loved fucking her mouth, I couldn't wait any longer. My balls felt like they were full of electricity, the power shooting through my cock, and I started to come. I kept pumping against her face as my mind reran the taste of her slippery flesh.

When my battery was out of juice, I pulled out of her mouth slowly. Her lips were oozing my cum, some of it flecking her full lower lip. And it was

just in time. I heard the big truck outside and somebody opening the garage door and calling, "Hey, Bill, you in there? What'cha doing? Jerking off in the back of that car?"

— Bill, *Hot Springs*

HAND JOBBING

I only wanted to make a video of me giving a hand job.

Hey, how you all doing out there. My name is Jayden. I'm 26 and married. I also have a little secret that I keep from him. Last week I met a guy at the local coffee house where I go who I wanted to film giving him a hand job. That's all I wanted. After some more convincing, he said he would do it. He introduced himself as Jordan and I told him my name. We decided he could come to my house at two on Thursday while my

husband was working at his office. When Jordan arrived, right on time, I was wearing a short black dress with plunging front and back, and no bra or panties.

Just the dress and some sexy high heels. The dress showed off my firm round boobs perfectly and also it gave Jordan the chance to easily grab a feel while I jerked him off, I thought. He came in and took his clothes off leaving just his pants on; Jordan then lay down on my sofa while I set up the recorder.

Once we were set, I hit record button on the video camera and walked over to him. I got on my knees and started rubbing his left thigh and smiling at Jordan. "You've got to get out of these pants." I told Jordan as I was pulling them off.

His cock was quite small so I was glad it wasn't getting it in my pussy because I couldn't see how it would satisfy me. I started rubbing and playing with Jordan's cock to get him hard. I opened my legs allowing him to get a view of my clean-shaven, pink pussy.

He started rubbing my leg and I then told him I hadn't let my husband fuck me in two weeks, as I wanted to make Jordan suffer. My hand was working Jordan's cock trying to get him harder. I started stroking him a little faster; his cock growing hard.

What was a small limp dick was now an impressive seven-plus inches. I couldn't help myself so I started to lick him, up and down his shaft with my tongue. I got a little more comfortable and sat on Jordan's leg knowing my naked pussy was touching his bare leg.

I then began licking and sucking his now fully erect cock. I didn't plan to stay too long sucking on it, but I wanted him to get a feel for my talented tongue. His groans were enough for me to continue, until I felt he was going to cum, but I didn't want that, yet. I slowly, very slowly, pulled my mouth off his cock.

So, I started jerking him a little faster now, as Jordan started playing with my boobs, which made me moan. As my hand was working Jor-

dan's cock really fast, Jordan shocked me a little when he slid his hand under my skirt and started playing with my pussy. "No, no, no." I said.

I pulled my pussy away from Jordan's hand because what I was doing didn't give him the right to finger fuck me. I told him that he was lucky to be getting a hand job from me. I wrapped both hands around his tool and started stroking him double handed.

I wanted to tease him some more and moved closer allowing him a feel of my boob. I pulled my skirt up, flashing my pussy as I jerked him faster and faster until suddenly he cried out and blew his load in the condom I had put on. I pulled off the condom, I showed it to the camera, and tied the upper part in a knot. I excused myself, adjusted my dress, told him to put his pants back on, and took my cum-filled prize to the bedroom.

Afterwards, I thanked Jordan, told him to clean up and showed him the door.

— Jayden, Memphis, TN

As a single woman, most of my time and money was dedicated to keeping and maintaining my lifestyle. I was always working, always thinking about others and then, one day, it hit me, I hadn't had sex in a year; last Christmas! I am so sexy, how could that be possible? This year, I'm one of Santa's horny helpers and I may help myself to another helper!

ARIANA

Let me tell you what I like about Ariana, other than her brunette beautifulness. It's her sense of adventure. It's her willingness to act on what she feels. It's what she has rubbed off on me... that same sense of adventure and excitement. Like when Christmas comes around, her gifts are her body and her lust. She makes her hair smell good, her pussy is shaved and she scents it with white rose and it smells so heavenly. I give her my cock so she can play with it and ultimately, so I can fuck her with it. Here's to wishing her and you a veri Meri Cheri XXXmas.
